God of the Ages

God of the ages, whose almighty hand
leads forth in beauty all the starry band
of shining worlds in splendor through the skies,
our grateful songs before thy throne arise.

Thy love divine hath led us in the past;
in this free land with thee our lot is cast;
be thou our ruler, guardian, guide, and stay,
thy Word our law, thy paths our chosen way.

Refresh thy people on their toilsome way;
lead us from night to never-ending day;
fill all our lives with love and grace divine,
and glory, laud, and praise be ever thine.

Abide with Me

Abide with me; fast falls the eventide;
the darkness deepens; Lord, with me abide.
When other helpers fail and comforts flee,
Help of the helpless, O abide with me.

I need thy presence every passing hour.
What but thy grace can foil the tempter's power?
Who like thyself, my guide and stay can be?
Through cloud and sunshine, Lord, abide with me.

I fear no foe, with thee at hand to bless;
Ills have no weight, and tears no bitterness.
Where is death's sting? Where, grave, thy victory?
I triumph still, is thou abide with me.
